NOI

Notice of Intent (NOI) for Discharges from Construction Dewater/Hydrostatic Testing
- UPDES General Permit No. UTR070000. SEE REVERSE FOR INSTRUCTIONS

Submission of this Notice of Intent constitutes notice that the party identified in the first block (below) of this form intends to be authorized by UPDES General Permit No. UTR070000, issued for discharges from construction dewatering/hydrostatic testing in the State of Utah. Coverage of this permit obligates such discharger to comply with the terms and conditions of the permit. PLEASE PROVIDE ALL REQUIRED INFORMATION

OPERATOR INFORMATION (Construction Dewatering and Hydrostatic Testing)

Name: _____

Phone: _____

Address: _____ Status of Owner/Operator: ☐

City: _____ State: _____ Zip: _____

Owner/Manager: _____ Phone: _____

SITE LOCATION (Construction Dewatering and Hydrostatic Testing)

Project Name: _____

Project Address: _____

City: _____ State: _____ Zip: _____

County: _____ Site Phone: _____

Latitude: | | | | | | | | | | Longitude: | | | | | | | | | |

Please include a site location map (e.g. USGS quadrangle), and a site layout map/chart. Location map ☐ _____

INDIVIDUAL IN CHARGE OF PROJECT (Construction Dewatering and Hydrostatic Testing):

Name: _____ Phone: _____

RECEIVING WATER BODY (Construction Dewatering and Hydrostatic Testing)

Name: _____

Does the discharge flow into a storm drain before entering the receiving water body? Yes ☐ No ☐

ADDITIONAL INFORMATION REQUIRED (Construction Dewatering and Hydrostatic Testing)

Project Start Date: _____ Completion Date: _____ Estimated Area to be Disturbed

| | | | | | | | | | (in Acres): | | | | | | | | | |

Month-day-year

Month-day-year

Is a Storm Water Permit Required for this Project? (Storm Water Permits are required for all projects disturbing over 5 acres. Projects disturbing 1 to 5 acres, small construction, do not need coverage if started and completed between January 1 and April 30. Also, Small construction projects do not need to submit an NOI where they are within a municipality with a qualifying storm water control program.)

Yes ☐ No ☐

DISCHARGE POINTS (If there are additional discharge points identify them on a separate piece of paper and attach to the form)

Located in Colorado River Basin Yes ☐ No ☐

5. Latitude: Longitude:	_____
6. Latitude: Longitude:	_____

INSTRUCTIONS

Notice Of Intent (NOI) For Covered Under the UPDES General Permit Construction Dewatering/Hydrostatic Testing

Who Must File A Notice Of Intent (NOI) Form

State law at UCA 19-5-107 and UAC R317-8-2.1 prohibits point source discharges to a water body(ies) of the State without a Utah Pollutant Discharge Elimination System (UPDES) permit. The operator of construction dewatering or hydrostatic testing activity that has such a discharge must submit a NOI to obtain coverage under the UPDES General Permit for Construction Dewatering/Hydrostatic Testing. If you have questions about whether you need a permit under the UPDES program contact the Division of Water Quality at (801) 538-6146.

Where To File NOI Form

NOIs, with fee payment(s), must be sent to the following address:

Department of Environmental Quality
Division of Water Quality
P.O. Box 144870
Salt Lake City, UT 84114-4870

Completing The NOI Form

You must type or print, using upper-case letters, in the appropriate areas only. Please place each character between the marks where there are marks. Abbreviate if necessary to stay within the number of characters allowed for each item. Use one space for breaks between words, but not for punctuation marks unless they are needed to clarify your response. If you have any questions on this form please call the Division of Water Quality at (801) 538-6146.

Beginning of Coverage

As with all general permits coverage under a general permit applies the same permit conditions for each site covered. The permittee may begin discharging according to conditions in the general permit as soon as the coverage title page is signed by the Executive Secretary. For the Construction Dewatering/Hydrostatic Testing permit, the permit fee can be paid when the NOI is submitted or DWQ will bill the permittee after the permit is issued. **For permit Fees MAKE CHECKS PAYABLE TO: DIVISION OF WATER QUALITY.**

Permit Fee

The permit fee for coverage under the Construction Dewatering/Hydrostatic Testing permit is prorated from the time the discharge begins until the time it ceases. Fees are prorated at \$8.34 per month of coverage needed, except for a \$100 minimum and a \$500.00 maximum. **EXAMPLE: if you need 5 months of coverage: 5 x \$8.34 = \$41.70, then you will need to submit the \$100 minimum, if 18 months of coverage is needed: 18 x \$8.34 = \$150.12, your total fee will be \$150.12.** The \$500.00 maximum will provide permit coverage for five years and then expire at the end of the five year period (the permit is issued only for a 5-year term). State or local political subdivisions are exempt from the permit fee.

General

FACILITY OPERATOR INFORMATION

Give the legal name(s) of the person(s), firm(s), public organization(s), or any other entity(ies) that conducts the construction operation at the facility or site described in this application. The operator(s) is usually the general contractor or the excavation contractor or anyone else that fits the definition of operator. An operator is anyone that has control over site/project specifications and/or control of day to day operational activities. Do not use a colloquial name. Enter the complete address and telephone number of the operator(s).

Enter the appropriate letter to indicate the legal status of the operator of the facility.
F = Federal **M** = Public (other than Fed or State) **S** = State **P** = Private

SITE LOCATION INFORMATION

Enter the facility's or site's official or legal name and project number (if any) and complete street address, including city, state and ZIP code. If the facility or site lacks a street address, indicate the latitude and longitude of the facility to the nearest 15 seconds of the approximate center of the site.

Indicate whether the facility is located on Indian Lands.

If the facility is located on Indian Lands the permittee must contact EPA Region VIII except for facilities on the Navajo Reservation or on the Goshute Reservation, for which the permittee must contact EPA Region IX. The EPA has jurisdiction over Indian Lands.

INDIVIDUAL IN CHARGE OF PROJECT

Record the name and telephone number of the person with the best working knowledge of the project and it's progress.

RECEIVING WATER BODY

Indicate the receiving water body the discharge is flowing into, or the nearest receiving water body if the discharge flows into a storm drain, irrigation ditch, or is pumped onto uplands for percolation.

TYPE OF CONSTRUCTION

Check the type of construction that will be the cause of the dewatering discharge. Make a brief explanation of the project and the steps to complete it.

BEST MANAGEMENT PRACTICES

Indicate by checked box and explanation what management practices or treatment will be used to treat the water discharged

HYDROSTATIC TESTING

Indicate the type and size of vessel and the material it is made of. Also list all potential contaminants that could be in the discharge.

ADDITIONAL REQUIREMENTS

Enter the project start date and the estimated completion date for the entire development plan.

Provide an estimate of the total number of acres of the site on which soil will be disturbed (round to the nearest acre).

CERTIFICATION

State statutes provide for severe penalties for submitting false information on this application form. State regulations require this application to be signed as follows:

For a corporation: by a responsible corporate officer, which means: (I) president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions, or (ii) the manager of one or more manufacturing, production, or operating facilities employing more than 250 persons or having gross annual sales or expenditures exceeding \$25 million (in second quarter 1980 dollars), if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures;

For a partnership or sole proprietorship: by a general partner or the proprietor; or

For a municipality, state, Federal, or other public facility: by either a principal executive officer or ranking elected official.

TYPE OF CONSTRUCTION (Construction Dewatering and Hydrostatic Testing)

Building Footing ☐ Bridge Footing ☐ Dam ☐ Trench ☐ Tank ☐ Other ☐

Explain other _____

Is the project located on Indian Lands?

Yes ☐ No ☐

Description of project/project activities (include anticipated rate of discharge – add additional sheets if necessary): _____

BEST MANAGEMENT PRACTICES (Construction Dewatering and Hydrostatic Testing)

Check all that apply

Sedimentation (Basin/Tank) ☐ Wellhead Drawdown ☐ Upland Infiltration ☐ Filtration ☐ Erosion Control ☐

Other (Please specify) _____

Description of treatment of discharged water (size, detention time, outlet, etc., show prints on separate sheet if necessary): _____

HYDROSTATIC TESTING ONLY

Type of vessel Tank Dimensions _____
 Pipe Diameter _____ Length _____
 Other Explain (include size, dimensions, etc.) _____

Material the vessel is constructed of (e.g. steel pipe, etc.). _____ New Material ☐ Used Material ☐

(Check whichever applies)

New Vessel ☐ Used Vessel ☐

Identify the fluid the vessel will contain (e.g. water, gasoline, diesel, petroleum, etc) _____

List pollutants that may be present in the discharge. _____
 (oil & grease, chlorine, etc.) _____

CERTIFICATION: I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."
